

dck-ecc pacific guam, LLC Pittsburgh, Pennsylvania Awarded Contract

(N62742-10-D-1308) for the design and construction of an aircraft maintenance hangar to provide operational and maintenance facilities for the 1st Marine Aircraft Wing at Andersen Air Force Base North Ramp, Guam.

dck-ecc pacific guam, LLC, Pittsburgh, Pennsylvania, is being awarded \$53,728,000 for firm-fixed-price task order 0002 under a previously awarded multiple award construction contract (N62742-10-D-1308) for the design and construction of an aircraft maintenance hangar to provide operational and maintenance facilities for the 1st Marine Aircraft Wing at Andersen Air Force Base North Ramp, Guam. The hangars support current marine air/ground task force training requirements and the permanent relocation of United States Marine Corps forces from Okinawa to Guam. The aircraft maintenance hangar will be comprised of three areas - the hangar bay, the shop and maintenance area, and the administration and operations area. Work will be performed in Yigo, Guam, and is expected to be completed by December 2016. Fiscal 2014 military construction, Navy contract funds in the amount of \$53,728,000 are being obligated at the time of award and will not expire at the end of the current fiscal year. Five proposals were received for this task order. The Naval Facilities Engineering Command, Pacific, Joint Base Pearl Harbor-Hickam, Hawaii, is the contracting activity.
